FOREST FIRE WARDEN'S REPORT

PREVENTION IS EVERYBODY'S BUSINESS

The year 1959 was fortunate from a forest fire standpoint. New Hampshire had the best record in the nation. Fewer acres were burned, suppression costs were substantially reduced and damage to woodlands held to a minimum. The record resulted from a combination of favorable weather conditions, an alert warden service and a cooperating public.

Yet, despite all this, there still persists a disturbing note.

58%, or 6 out of every 10 fires in 1959 were caused by careless smokers and debris burners.

10 %, or 1 out of every 9 fires was caused by children.

Careless, indifferent, thoughtless and independent minded individuals and failure of parents to properly supervise children and keep matches out of their reach, annually cause these unnecessary fires which cost large sums to extinguish and cause extensive damage. The elimination of these three causes of fires would radically change this picture. The rules are simple —

1. Before burning, secure a permit from your local forest fire warden - the law requires it.
2. Be sure to properly supervise your burning.
3. Make certain your fire is DEAD OUT before leaving it.
4. Don't throw lighted matches, cigars and cigarettes from moving vehicles - use your ash tray.

5. Don't burn at home - Use your town dump and save yourself much possible difficulty, both personal and financial.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the School Board and Citizens of Effingham:

During the school year 1958-59 the teachers in the Effingham Schools were: Mrs. Stephen Valla at the Falls School, and Mr. Valla at the Center School. Mr. Valla resigned in March, and Mrs. Valla at the close of school in June.

Mr. Valla was succeeded by Mr. Philip Martin who continues in the same position during the current year. Mr. Martin is a graduate of Gorham Teachers College and had recently completed four years service in the U. S. Marine Corps when he came to Effingham. In September, of the current year, Mrs. Marie Lloyd, of North Conway, succeeded Mrs. Valla at the Falls School. Mrs. Lloyd is a graduate of Framingham State Normal School. Effingham is fortunate to have such competent teachers.

Total enrollment in the Effingham Schools was 56 with an average membership of 53.2. Schools opened in September, 1959, with an enrollment of 53.

There were 20 pupils enrolled at Kennett High School with the tuition rate of \$350.00 per pupil. Enrolled at the opening of the current year were 19 pupils with the tuition rate at \$355.00. Three elementary pupils are currently attending the Ossipee Central School. The tuition rate is \$240.00.

Mrs. Rebecca Sanborn, R. N., continues to provide the schools with very effective health services. Physical examinations are made by Dr. Dutton with Mrs. Sanborn's assistance.

Music Supervisor

At the annual Supervisory Union meeting held in May, 1959 the union board members voted that a committee should study the feasibility of employing a music supervisor to serve the schools of the union. Serving on the committee were Mr. Raymond Kennard, Effingham; Mrs. Mabel Davs, Freedom; Mrs. Elizabeth Brady, Madison; Mr. Harry May, Ossipee; Mrs. Dorothy Moody, Tamworth, and Mr. Howard Hobbs, Wakefield.

This committee reported that the project is entirely feasible and recommended that each district include in its warrant an article with an appropriation for the service. The supervisory union board accepted the recommendation unanimously. Our schools now have no music instruction under the direction of a trained supervisor. No provision is made for this important aspect of our pupils' education. These are the only schools in the state that do not have a supervised music program. The expense of this program will be allocated to the districts on the same basis as the other supervisory union expenses. I urge citizens in all the districts to support this project.

The cooperation of the school board, teachers and citizens is gratefully acknowledged.

Respectfully submitted,
EVERETT H. BRASIER
